- Forum rules (integrated)
- Forum moderators (determined). [A.Mersel](#), [E. Eivanova](#), [V.Margvelashvili](#)
- We (Forum moderators & Paolo Pertici – Forum web-master) are currently testing the Forum and collaborating to improve it.
- We will be starting to use the Forum following the Spring ERO Plenary – after the completion of Phase 2.

ERO Forum

- What we actually intend to do is to bring the members of NDAs and the academicians together to discuss the survey results, their collaboration and finding ways of improving their professional partnership.
- Membership and log-in procedures, authorization and acceptance of Forum rules will be required. We will not allow any insulting, non-professional or bad posts and ban such participants.
- Forum will be regularly monitored by our Forum moderators.
- The expected outcome is a written report by the Forum moderators.

Phase 1 (Survey - NDAs) + Phase 2 (Survey (Dental
