## Regional European Organisation of the FDI

### National Report

**Country:** ARMENIA

**Association:** Armenian Dental Association

**Venue:** Republic of Armenia

**Year:** 2010

Please classify your national report by following subjects:

- I. Changes  
- in the association and its organisation  
There were no changes

- II. Trends and developments  
- in professional politics

On October 2009 a new order was admitted by the Armenian government about the saturation and cadres of stomatological clinic. Also clients' registration mutual form was admitted but the two changes do not satisfy us because there are many missings.

- in health and social politics
- in educational politics

In the republic the educational politics is not in a proper condition because many medical institutes lease low quality stomatologists and dental-technics and now in the country to 10.000 people comes only 15 dentists. Our numerous complains are not heard.

- III. Changes in the insurance system  
There is no insurance system in Armenia.

- IV. Changes in fees  
The annual fee of the association has not changed. It is 25\$ in year.

- V. Further new information  
From September 27 to October 3, 2010 a Stomatological week will be held in Yerevan and Kharabakh. It is Stomatologists' 3<sup>rd</sup> Pan-Armenian Forum, International 7<sup>th</sup> Congress devoted to the 15<sup>th</sup> anniversary of foundation of Dental Association.
