NATIONAL REPORT

Israel Dental Association

Annual Report for the
ERO-Yerevan Meeting 2010

1. Changes of positions in the Association:

Dr. Haim Neuman was appointed as the new National Liaison Officer.

2. Trends & Developments:

The IDA continues to struggle against commercial organizations to open dental clinics and provide non ethical treatments in patients.

The Continuous Education Program to "up to date" dentist is continuing to expand successfully. During the past year over 1000 dentists accomplished the requirements set by the Scientific Council of the IDA and joined the 2500 dentist who has already received the Certificate for Updated Graduate Dentists.

There is no change in membership fee.

The Government of Israel is studying the possibility to include dental treatments in the Health Service Basket. The Israel Dental Association welcomes the move but insists to keep the freedom of profession by giving the patients the right to choose the dentists they prefer.

During the past year the special committee to attend and support members in financial and/or justice problems' established just a year ago, has helped many members to overcome the crisis dentistry in Israel is facing.

3. General information:

The National Scientific Meeting of the Israel dental Association (Nov. 26-27,2009) was a great success with the participation of over 2500 dentists.
