

Guidelines for applicants

1. Funding must be applied for and approved before the project begins.
2. Expenses can only be reimbursed upon presentation of supporting documentation.
3. The working group shall submit a brief final report upon completion of the project.
4. All results funded by ERO shall be made available to ERO because it has the copyright.
5. Publications and reports shall be published under the name of the relevant ERO Working Group, and ERO's support shall be appropriately acknowledged.
