ERO NEWS 41

Dear ERO Family,

As another year comes to a close, we take a moment to reflect on the events that shaped it—both the positive milestones we achieved and the challenges we faced along the way.

This year was particularly special for ERO, marking our **60th anniversary**—a remarkable milestone that speaks to the enduring commitment and collaboration of our community.

This jubilee provided an opportunity to honor the tradition on ERO anniversary booklet laid by **Philippe Rusca** 10 years ago and further developed by **Anna Lella** 5 years ago.

I am therefore delighted to be able to present you with the **'60 years of ERO'** brochure enclosed.

Outlook for the New Year

Looking ahead, an important milestone awaits us in the spring. We will gather in Almaty, Kazakhstan, for a plenary session. During this meeting, the mandate of the current Executive Board will conclude, and elections for the new board will take place.

Further details and information regarding this session will be shared with you at the beginning of January. Stay tuned for updates as we prepare for this pivotal event.

I would like to take this opportunity to express my heartfelt gratitude to everyone who has supported our work throughout the past year. Wishing you and your families a joyful holiday season and all the very best for a prosperous and fulfilling 2025.

Kind regards,

Simona Dianiskova, ERO President
