ERO NEWS 36

Dear ERO family,

I am pleased to be reporting to you again on ERO's activities.

ERO Plenary Session Spring 2024

Our plenary session in Limassol, Cyprus, is coming closer. From 26-27 April 2024 you will be offered an informative and exciting programme and many social highlights. **Please make sure you are registered!** Information and registration form can be found on our website ([Limassol 2024 - European Regional Organisation of the Fédération Dentaire Internationale \(erodental.org\)](https://erodental.org/limassol-2024))

National reports – Thanks to all National Associations that have submitted their report. This is very helpful to get an insight on what is going on in our member associations.

ERO Board and Working Group Meetings

Most of the ERO Working groups have met online, some even face-to-face. In Limassol the morning of Friday, 26 April, is reserved for the meetings of the working groups.

We would like to take this opportunity to warmly welcome the new working group members and thank the outgoing members for their valuable and long-standing collaboration.

ANDI hosted the first face-to-face ERO Board meeting of the year. **Thank you very much for your hospitality.** And once again we can confirm that Rome is always worth a visit.

WOHD is coming closer!

Please report to ERO to our social media team (info@erodental.com) and the ERO secretariat (secretariat@erodental.org) about your NDA activities.

Now I wish you a nice EASTER Holiday and look forward to seeing you all at the plenary session in Limassol (Cyprus) from (25)26-27 April 2024.

Kind regards,
Simona Dianiskova, ERO President
