Don't forget the mouth •
Toothbrushing 101

- Problems

- Stuck since one year
- Sponsor's financial dependency
- Sponsor's conditions
 - Lack of skills
 - Lack of time
 - Need a project manager

- Solutions / Expectations from the board
 - Finalize the webapp as it is till spring 2025
 - give up on the sponsor and his demands
 - Cheaper offer from an eastern IT company
 - ERO will finance development and maintenance

- How further?
 - Change two pictures of the web application
 - Try to enhance the graphic resolution of the other images
 - keep everything else as it is now
 - As soon as offers from new IT companies available, waiting for the board's green light and GO !

- Website <https://Mund-Pflege.net>

- Website <https://mund-pflege.net>
 - Section «unterstützte Mundpflege» = «assisted oral care»
 - Financed by german authorities (Bundesministerium für Bildung und Forschung) and Universities in Germany
 - First contacts with Dr Elmar Ludwig established by Michael Diercks
 - Possible win-win collaboration
 - ...
