**Subject: Letter of Recommendation for Dr. Ariel Slutsky – ERO Board Candidacy**

Dear Members of the ERO Board,

On behalf of the Israel Dental Association (IDA), I am honored to recommend Dr. Ariel Slutsky for a position on the European Regional Organization (ERO) Board. Dr. Slutsky is a highly esteemed member of our association, demonstrating exceptional leadership, dedication, and commitment to advancing the dental profession both nationally and internationally.

### Professional Achievements and Leadership

Dr. Slutsky has played a pivotal role in organized dentistry in Israel for over two decades. In his roles as General Secretary and Chairman of the Central Committee of the IDA, he has spearheaded initiatives focused on policy development, professional education, and advocacy for dentists' rights. Additionally, he is a member of the Scientific Council of the Israel Dental Association (2024) and serves on its Executive Committee (2024), further demonstrating his commitment to shaping the future of dentistry.

His contributions extend beyond Israel through his active participation in international forums. As the National Liaison Officer (NLO) to the FDI World Dental Federation and a long-standing delegate to the ERO, Dr. Slutsky has worked tirelessly to strengthen

relationships between dental associations, aligning national policies with international best practices. His involvement in various ERO committees demonstrates his commitment to fostering collaboration and innovation in dentistry across Europe.

### Why Dr. Slutsky is an Ideal Candidate for the ERO Board

Dr. Slutsky's extensive experience, strategic thinking, and ability to build meaningful partnerships make him an outstanding candidate for the ERO Board. His vision for the future of dentistry aligns with ERO's mission of promoting excellence in oral healthcare and unifying professional standards across Europe.

We are confident that his election to the ERO Board will be highly beneficial for the organization, bringing fresh perspectives, practical expertise, and a strong commitment to advancing the profession. His leadership skills, collaborative approach, and vast experience in both clinical and administrative roles will make a significant impact on the ERO's initiatives and policies.

### Conclusion

The Israel Dental Association wholeheartedly supports Dr. Ariel Slutsky's candidacy and strongly recommends his election to the ERO Board. We believe he will be an invaluable asset to the organization, contributing his expertise and dedication to furthering the goals of European dentistry.
