Dear ERO FDI members,
Dear colleagues,
Dear friends,

It is with great honor and enthusiasm that the Bulgarian Dental Association presents the nomination of Dr. Oleg Minkov Gladkov for the esteemed position Executive Board member of ERO FDI.

For more than 15 years, Dr. Oleg Gladkov has worked tirelessly at various levels in WG "Dental team" and "Digitalization in dentistry – E-Health – Artificial Intelligence" at ERO FDI. During all these years he has shown his qualities as a good communicator, responsible for the tasks assigned to him, thereby contributing to achieving the goals set for ERO FDI.

In addition, he has been a long-time member of the WG "E-Health" and "Patient safety, infection control and waste management" at CED.

Dr. Oleg Gladkov speaks English, Italian and Russian languages.

Dr. Oleg Gladkov enjoys significant authority as a leader in the Bulgarian Dental Association (BgDA). He held the position of President of the largest regional board of the BgDA, the Sofia Regional Body. He was also the secretary of the same Board for many years.

We strongly believe that his election as a member of the Executive Board of ERO FDI will be beneficial not only for the work of this organization, but also for all member states!

Best regards,

Dr. Nikolai Sharkov
President of Bulgarian Dental Association
