

Regional European Organisation of the FDI

National Report on the activities of 2023

Country: North Macedonia

Association: Macedonian Dental Chamber

Please classify your national report by following subjects:

Changes

Reelection of Dr Marijan Denkovski as President OF Macedonian Dental Chamber

Trends and developments:

1. Possibility of establishing dental polyclinics, which will include general and specialist dentistry offices. 2. Additional work from a public healthcare facility to a private healthcare facility and vice versa. 3. Patients remain attached to the office. A six-month period for hiring a new doctor without losing patient

Corporate Dentistry

Currently, there is no legislation concerning dental chains

Changes in fees:

Macedonian Dental Chamber has decided to make changes regarding fees for our members,

so we raise the membership fee for 10% (those 10% are regarding to solidarity fund)

Information regarding promotion of the World Oral Health Day:

There will be numerous educational workshops and lecturing at kindergarten and primary schools. Faculty of dental medicine will be involved

Further information (activities):

What are your 3 main concerns? High cost of the Materials, Medications Equipments Versus a Weak Economy and low income of the people. People's affordability of Basic Quality Dentistry decreased. - Also a High Number of recently graduating Dentists Who Do Not Have any Employment opportunities

3 points you would like to discuss
