“Bureaucracy and
Documentation Responsibilities
in the Dental Team.”

Bureaucracy and Documentation in Dental Teams

- Growing administrative burden
- 1.5–2 hrs/day lost to paperwork
- Costs passed on to patients
- Dental care becomes more expensive & less accessible

Barriers for Young Dentists

- Starting a practice = heavy bureaucracy
- Deterrent for young professionals
- Favors dental chains & commercialization
- Higher prices driven by EBITDA focus

WG

- Map bureaucracy across member countries
- Synthesize into a practical toolkit:
 - Guidelines
 - Templates
 - Best practices
- Support simplification in over-regulated countries
- Provide ready-to-use documentation for under-regulated countries
- Strengthen members & national organizations

Roadmap

- Zoom meetings fall 2025
- In-person meeting February 2026
- First draft of questionnaire Sofia 2026
