---

## 1. Changes in the Association and Its Organisation

Please describe any significant structural, strategic, leadership, or membership-related changes during 2025.

No significant changes occurred in 2025; membership remained stable.....

---

## 2. Main Concerns

Please list the three most important concerns currently facing your association.

a) Dental healthcare contracts.....

b) Recognition of foreign diplomas.....

c) Continuous professional education .....

### 3. Key Discussion Points

Please indicate three topics or issues you would like to discuss at international level.

- a) Recognition of foreign diplomas .....
- b) Challenges concerning the current global situation.....
- c) Professional liability and regulation within dental chains .....

### 4. Trends and Developments

Please describe relevant trends and developments in the following areas:

#### a) Professional Politics

The Croatian Dental Chamber (CDC) continued its efforts to inform and guide members regarding professional standards and ethical practices. Discussions on corporate dentistry and dental chains are ongoing, focusing on defining professional liability for practitioners within these structures.....

#### b) Health and Social Politics

The Chamber actively monitors national health policies affecting dental practice. Emphasis has been placed on ensuring access to quality dental care and advocating for fair healthcare contracts.....

#### c) Educational Politics

In 2025, the CDC organized over 30 hands-on courses and workshops through its Academy, educating more than 500 members. Continuous professional development remains a key focus for maintaining high standards of practice. ....

#### d) Insurance System

*(including public health insurance and private insurance schemes)*

The Chamber continues to follow developments in both public health insurance and private dental insurance. Discussions with members highlight the need for clarity on coverage, reimbursement, and professional responsibilities. ....

## 5. World Oral Health Day Promotion

Does your association promote World Oral Health Day?

Yes     No

If yes, please describe the type of activities (e.g. campaigns, events, media outreach, partnerships):

In 2025, the CDC celebrated World Oral Health Day through media outreach, publications in patient-oriented magazines, and online campaigns to educate the public on oral health prevention and best practices
