

WG Digitalisation in Dentistry- E-Health-Artificial Intelligence (WG DD, eH, AI)

Roman Smucler

Sofia Meeting April 2026

Objectives

- Exchange AI educational experience in between ERO members
- Share best lectures and speakers
- Motivate all dentists

AI in Everyday Dental Practice 2026: What Works, What Pays Off

Main improvements in the AI field from Shanghai

- Local models- much safer AI
- Special AI tools for patients- even for Dentistry
- AI agents – biggest improvement!!

WG ERO-FDI 3 actions before summer

1/ Pilot Webinar- Lecture Dentists

- 11th of June 18.00 CEST – for Dentists from member states- to show what is possible
- AI as instrument in the Dental office for notes, informed consent, billing and organisation
- Not AI for Medical devices

2/ Pilot Webinar (Officers/Representatives)

- 18th of June 18.00 CEST – for member states- to Exchange experience in education – we will send information, program and questionnaire

3/ List of international speakers on topics of AI and Digital Dentistry

- Questionnaire to all member states - ERO office
- Theafter we will share it on our web page (ERO FDI) – if needed for congresses education and so on

Close & Next Steps

- WG on-line meeting in month to make precise program of webinars – we will send it to the Board- thereafter contact NDAs
