Information regarding promotion of the World Oral Health Day:

An important event which took place in the year 2018-2019 was “The Prophylactics Caravan”, organized in the area of Iasi county. This event is organized yearly by the Faculty of Dental Medicine, “Grigore T. Popa” University of Medicine and Pharmacy from Iasi, in collaboration with the College of Dental Physicians and the Romanian Society for Oral Rehabilitation, and this year it reached its 11th Edition.

The event is a very important one for the city of Iasi and the region of Moldavia and allows to evaluate the degree of oral health in correlation with the patient's general status. From the 1st edition until now, over 50.000 citizens from the city of Iasi, as well as from localities in rural area, took benefits from the services provided by "The Prophylactic Caravan": free consultation, information and free distribution of over 250.000 products of dental prophylactics. The event took place in collaboration with the dental companies from Iasi, which provide the newest products of oral hygiene – for free distribution to the citizens in Iasi city and county.

Also, the event has a significant scientific part, which consists in conferences sustained by the professors at the Faculty of Dental Medicine from Iasi and discussions which the city's administration (City Hall) in order to analyze the oral and general health status in the city and to implement new programs to improve it and to eliminate the possible problems.
