

Distinguished Colleagues,

As President of Turkish Dental Association, I would like to appeal to you with the happiness and proud of being the chairman of such an organization that has been contributing to make the policies of oral health of our country with a population of 78 million.

My main motivation is to actively contribute to the development of ideas and of actions fostering cooperation and leadership, not only in my country but also in the framework of ERO.

During my first mandate as a member of ERO Board, I have given all my efforts, based on a national and international experience in terms of oral healthcare professional communications.

I would be honoured to use my background, experience and passion to continue this work within the structure and organization of the ERO.

Sincerely,

Prof. Dr. Taner YÜCEL
President
Turkish Dental Association
