Tarih : 11.03.2022

Konu : Candidature of Prof.Dr.Taner Yücel
For Position of ERO Secretary General

Dear ERO President and Board of Members,

On the Behalf of Turkish Dental Association, I'd like to state that we nominate Prof. Taner Yücel for Secretary-General of FDI European Regional Organization (ERO) since we strongly believe he fulfills all necessary criteria. Furthermore, his enriched and experienced background in all subjects related to regulatory parts of Turkish Dental Association on both national and international levels and his many years of a precious academic career are well known by almost all dentistry organizations alongside his distinguished personality.

Apart from three terms of Turkish Dental Association Presidency with significant contributions to the dentistry profession and dental health, Prof Yücel is a respectful and active member of Turkish Dental Association Foreign Relations Commission, which has many international duties and responsibilities. Additionally, I watched appreciatingly his devotion and endeavors during his position of Secretary-General at ERO Board of Members since 2019 up to the present day and his contributions to both national and international dentistry platforms.

Since I know him personally, I'd like to emphasize that I am acquainted with his foresight, dynamism, willingness, and sedulity, which make him favorable for organizational responsibilities. Therefore, with his personality characteristics, willingness, and experience, one can postulate that he can significantly contribute to the European Regional Organization's activities.

On behalf of the Turkish Dental Association, I'd like to state that we nominate Prof. Taner Yücel for Secretary-General of European Regional Organization. I appreciate your consideration of our candidacy.

I wish the Board of Members success and best wishes,

Best Regards,

A.Tarık İşmen

Turkish Dental Association

Dear ERO President and Board Members,

Upon my professional experience in the directory part of the National Dental Associations both nationally and internationally, my responsibility as being part of The ERO Board and priorly my professional career as an experienced academician I desire to apply for the position of ERO General Secretary.

Since I comprehensively contribute to the dentistry at both regulatory and educational part; I am specifically experienced on directory positions on both national and international dental organisations majorly holding several terms the presidency of Turkish Dental Association.

Being the two term ERO Board Member and previously 2-term FDI Science Committee Member , I strongly believe that my commitment both on regulatory and organisational parts of ERO will raise and highlight the mission and voice of European Dentistry by the main contributions of ERO for the professional development of the European dentistry.

I once more express my intention to apply for the "ERO Board General Secretary" position which I feel my enthusiasm will assist me to serve at the highest level. I appreciate your considerations.

Sincerely yours,

Prof.Dr.Taner Yücel
