Israel Israel Dental Association FRANKFURT - 2019

Dr. Itzhak Chen, President of the Israel Dental Association since 1991, resigned from his position.

Dr. Lior Katsap was elected Temporary President until the official elections scheduled for February 2020.

Trends & Developments:

The Government of Israel enacted a Law that provides free dental care for children and Ageing Population. **Children under age 18 and ageing population above 65.**

The IDA continues to struggle against commercial organizations to open dental clinics and provide non ethical treatments in patients.

In Educational trend the IDA is aiming to increase the number of dental students in the two Dental Faculties.

Many Dental Clinics offer free dental care for asylum.

Changes in fees:

There is no change in membership fee.

Information regarding promotion of World Oral Health Day:

The Oral Health Day will be promoted in all of the Israel Dental Association publications as well as in the FB. It will be emphasized during one of the **Dental Meeting held on March 2019.**

Further information:

Dozens of private Dental Clinics continue to volunteer and provide **free dental treatment for the Holocaust Survivors**

The Continuous Education Program to "Up to Date Dentist" is continuing to expand successfully.

The 2018 National Scientific Meeting of the Israel Dental Association was a great success with the participation of over 2500 dentists.
