Changes

in the association and its organisation

no relevant

Trends and developments:

in professional politics

No authorization is given to a dental practice owned by any other operator in social health and not graduated in dentistry (law 24 July 1985, n. 409) or to a society, whose director or his delegate is not a member of the Dental Register of the Medical and Dental Federation of their Provinces.

New Rules on Advertising, no possibility to attract patients with comparison or economic advantages (the commercial aspect needs to be zero) adv.

A new European Law on Privacy has to be implemented in the UE States

in health and social politics

The ongoing economic and financial crisis has still a major impact on oral health promotion and maintenance. The dentist is one of the first if not the first to be cancelled from an Italian family budget.

in educational politics

NO

in the insurance system (incl. the public health insurance and private insurance schemes)
