#### ***Changes***

*in the association and its organisation – nothing significant*

#### ***Trends and developments:***

*in professional politics – we are providing new guidelines (dental focuses, ATB...)*

*in health and social politics -We have problems with government which wants to make Dentistry cheaper even with lower quality in educational politics*

*in the insurance system (incl. the public health insurance and private insurance schemes) – Less money for insurance system than is inflation rate.*

#### ***Corporate Dentistry***

*position of NDA towards dental chains – we have no problem with chains fully owned by Dentists, but we have many problems with chains owned by non-Dentist usually without qualified Dentists problems with dental chains*

*possible solutions – We provide regular controls who's closed some from worst chains (bankruptcy).*

*Changes in fees: no*

*Information regarding promotion of the World Oral Health Day: It will be big with multiple locations and Tv and Radio shows*
