## Israel Dental Association 2022

### Changes:

No changes

### Trends & Developments:

Following the intervention of the IDA, the Government re-approved free dental care treatments for children up to the age of 18 who suffered from tooth and jaw trauma.

In Educational trends, the IDA continues to encourage the increase of students' application to Dental Faculties.

Free weekly webinars are scheduled for our members.

Dental Clinics continue to offer free dental care for asylum and Holocaust Survivors.

### Changes in fees:

No changes

### Information regarding the promotion of World Oral Health Day:

Oral Health Day is always promoted in all of the Israel Dental Association media/ publications as well as on FB. Webinars are scheduled to emphasize dental care prevention.

### Further information:

Dozens of private Dental Clinics continue to volunteer and provide **free dental treatment for Holocaust Survivors**.

The Continuous Education Program for "Up to Date Dentists" is continuing to expand successfully.

The 2022 National Scientific Meeting of the Israel Dental Association was held on November 23-25, 2022, with over 1800 participants with distinguished representatives of the European Dental Associations.
