ISTANBUL CLASSICS

We start our program with famous **Hagia Sophia**, former Greek Orthodox patriarchal cathedral, an imperial mosque during Ottoman Period, a museum since 1935 until 2020, and recently has been turned back into a mosque. Then you will see the **German Fountain** - a gift of Kaiser Wilhelm 2. and listen the stories of his liaison with the orient. We continue with **Blue Mosque**, another imperial mosque from 17th century. Next visit is the **Hippodrome of Constantinople**, the center of Byzantine civic life, from political and theological controversies to chariot races and riots. Following the visits your guide will take you the **Grand Bazaar** for demonstration of Turkish Handicrafts.
