Finances

- Reserves

Finances

- Main focus since 2011
 - New budget structure implemented in 2012
 - Restructuration and cost cutting measures 2012-2014
 - External audit report 2013 based on RPC-21 standards
 - Internal audit TT 2014 (Germany & Japan)

Finances

- Questions for the 2015 budget:
 - What should be the level of FDI reserves?
Probably close to one year minimal budget.
 - Restore in priority support to committees and volunteers (Mid-year meeting, projects, etc)
 - What about other cost saving measures?
Translation, travel budget, representation, etc.

FDI has moved to new offices

Av Louis Casai **84 > 51**

- Yearly cost saving: 150k CHF
- Meeting facilities for ERO committees

Situation with ABO

- Membership fees 2013 and 2014 not paid by 28 February : no longer members according to FDI Constitution and GA resolution
- Letter from ABO received on 20 February requesting that the membership fees be reduced and AWDC 2010 debt payment delayed
- Council has decided to offer an ultimate deadline for payment on 30 April, to regain membership with no voting rights until 2010 debt is solved.
- ABO had a board meeting on 5 April

WHO and oral health

- GA in Istanbul was informed that PE Petersen will retire end 2013, and that WHO had no more funds to support the position in 2014: GA members voted a resolution
- September-January: FDI lobbying efforts to maintain a position at WHO Geneva were successful
- The suggested financial consortium was finally not required as WHO received a budget from Japan.
- NDAs received information on the issue and the progress made on January 8 and 24.

WHO Executive Board January 2014

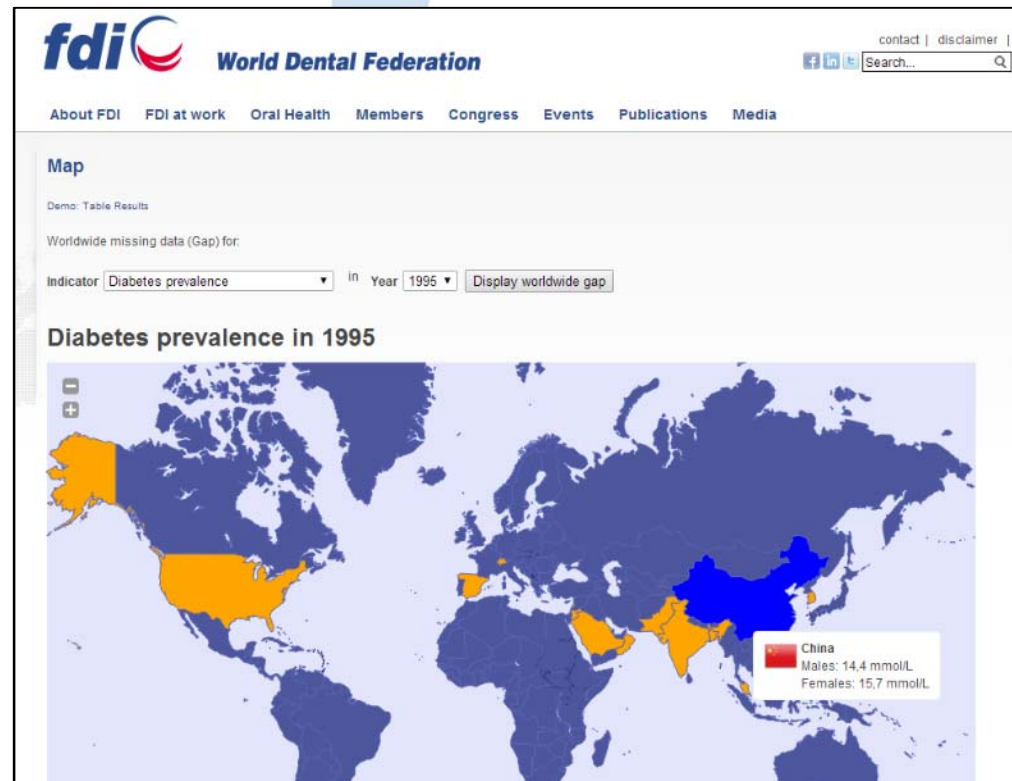

- Meetings with NCD, Oral Health and WHO leadership
- President TC Wong made an intervention at the WHO Executive Board on the Minamata Convention.
