**ERO Working group - Continuing Medical Education**

# ERO Plenary session 2014 Paris

European Regional Organisation  
of the Federation Dentaire Internationale  
1964 - 2014

The restructured WG  
Continuing Medical Education  
aims to

Emphasize on the bilateral relationship between  
oral and general health

by

Improving our professionals' contributions to  
overall wellbeing by more knowledge regarding  
the medical and the oral sciences

European Regional Organisation  
of the Federation Dentaire Internationale  
1964 - 2014

*WG Continuing Medical Education will  
continue activities under these  
determined goals;*

European Regional Organisation  
of the Federation Dentaire Internationale  
1964 - 2014

1. To develop a route on continuing education regarding the multidisciplinary approach to maintain oral health as an integral part of general health

European Regional Organisation  
of the Federation Dentaire Internationale  
1964 - 2014

A questionnaire aimed to assess the dental practitioners' attitudes and their dental education under the related scope was developed and will be circulated within the ERO Region countries through NDAs contributions.

Evaluation of the extent of dental education regarding the linkage of oral health and general health.

European Regional Organisation  
of the Federation Dentaire Internationale  
1964 - 2014

2. To constitute a descriptive and recommendational Continuing Dental Education "framework" which can be available on the ERO website to assist the Continuing Professional Development progressions in different countries.

The WG members will work on the outlines of the framework demanding on the basic requirements and the regulations of the Continuing Education Programs in their countries.

European Regional Organisation  
of the Federation Dentaire Internationale  
1964 - 2014

We need to find out  
«the Best Practice Models»  
guiding us to overcome the determined  
problems in organising successful CE  
programmes

European Regional Organisation  
of the Federation Dentaire Internationale  
1964 - 2014

Proposal of the WG Continuing Medical  
Education;

Suggest the working group named as  
«Continuing Medical Oral Education»

*Thank You...*
