

Regional European Organisation of the FDI

National Report

Country: *Georgia*

Association: *Georgian Stomatological Association (GSA)*

Year: *2012*

The GSA has signed an agreement with the Mal Practice Insurance to integrate this type of insurance in the dental society of Georgia.

The GSA is working together with the Ministry of Health of Georgia to recreate the list of dental specializations along with the competencies and residency programs.

The GSA together with Tbilisi State University has carried out an epidemiological study of the school aged children of Georgia. There was a gap of 27 years since the last epidemiological study of Georgia. Therefore the results are crucial for the oral health of Georgian population and for adopting health programs.

The GSA is working together with the Ministry of Health of Georgia on recreating post diploma specialization programs for dentists.

In collaboration with Georgian Implantological Association the GSA is organizing first International Implantological Congress April 27, Tbilisi, Georgia.

In addition GSA Annually holds International Dental Congress every July in Batumi and International Dental Conference "Dental Tbilisoba" every October in Tbilisi.

Prof. Vladimer Margvelashvili

Secretary General
