2013

1. Changes in the association and its organization:

No changes.

2. Trends & Developments:

The IDA continues to struggle against commercial organizations to open dental clinics and provide non ethical treatments in patients.

The Continuous Education Program to "up to date" dentist is continuing to expand successfully. In year 2012 over 710 dentists accomplished the requirements set by the Scientific Council of the IDA and joined the 3410 dentist who has already received the Certificate for Updated Graduate Dentists.

There is no change in membership fee.

The Government of Israel enacted a Law that provides dental treatments free of charge for children up to the age of 12 years old. The trend is to expand the treatments to the age 18 years old

3. Further information:

The National Scientific Meeting of the Israel dental Association (Nov. 14-15,2012) was a great success with the participation of over 2500 dentists.
