## Letter of intent

Dr. Hans **SCHRANGL**, Austria

As general secretary together with the entire board my first aim will be to support the working-groups, intensify their collaboration and ensure that their results are respectively presented in Europe and worldwide.

Secondly, inside FDI ERO has to strengthen the European position and has to increase its influence in the selection of the themes, FDI is dealing with.

Thirdly, in the field of European politics I will try to intensify the positive way of discussing the relevant themes with CED.

As I am not a member of any other international board or FDI commission I am able to concentrate on ERO and can always represent its position without any obstacles.

My personal credo for successful dentistry is the faithful partnership between patient and dentist. Every attempt to weaken or to disturb this relation –by politicians, economists, social security systems or private assurance companies - has to be fought by all means.

Dear colleagues,

the Austrian Dental Chamber supports the candidacy of

***MR Dr. Hans SCHRANGL***

for the position of **member of the board – general secretary** of the European Regional Organisation of the FDI (ERO).

In the past MR Dr. Schrangl has proofed in many situations that the further development of the ERO as political organisation of European dentists in FDI is of primary concern for him. He took part in all the plenary sessions of the ERO for more than ten years and was also able to bring all his experience gathered in his long years as member of the board of the Austrian and his regional Dental Chamber into many projects of the ERO. Since the constitution of the working group "Dental team" he was a very active part of this working group and was able to influence the results of the group in a very effective way.

We think it is very important that he will be in a position to bring his experiences - especially as a liberal professional dentist working in his own dental office - in the new term starting in 2013 into the board of the ERO and ask all members of the ERO to support his candidacy.

With kind regards

OMR DDr. H. Westermayer

Sehr geehrte Kolleginnen und Kollegen!

Die Österreichische Zahnärztekammer unterstützt die Kandidatur von

***MR Dr. Hans SCHRANGL***

zum **Vorstandsmitglied** - **Generalsekretär** der Europäischen  
Regionalorganisation der FDI (ERO).

MR Dr. Schrangl hat bereits in der Vergangenheit mehrfach bewiesen, wie wichtig ihm die Weiterentwicklung der ERO als Vertretung der Interessen der europäischen Zahnärzte in der FDI ist. Nicht nur hat er seit mehr als 10 Jahren regelmäßig an allen Vollversammlungen der ERO teilgenommen, er hat auch seine enorme standespolitische Erfahrung bei mehreren Projekten der ERO eingebracht. Seit Schaffung der Arbeitsgruppe „Dental Team“ ist er Mitglied dieser Gruppe und hat deren Arbeitsergebnisse ganz wesentlich geprägt.

Wir halten es für wichtig, dass er, insbesondere als niedergelassener freiberuflicher Zahnarzt, seine Erfahrungen in der neuen Funktionsperiode ab 2013 in den Vorstand der ERO einbringen kann und ersuchen um Unterstützung seiner Kandidatur.

Mit herzlichen kollegialen Grüßen

OMR DDr. H. Westermayer  
Präsident
