City Tour and Dutch Quarter of Potsdam

UNESCO has declared much of Potsdam’s cultural landscape to a World Heritage Site. Once you catch a glimpse of the palaces and parks, you will begin to understand why the kings and emperors choose to make Potsdam their residence. A guided visit to the Dutch Quarter is the end of the tour.

The sightseeing tour takes you to the city Centre. This historic area includes the Old Market and Nikolai Church, Old Town Hall, the Garrisons Church Glockenspiel, Dutch Quarter, Alexandrowka Russian colony, Brandenburg Gate, Jäger Gate, and Nauen Gate, the mosque pumping station, and elegant 19th century neighbourhoods.
