Member Organizations
of the ERO-FDI

Dear Colleagues,

following my letter of 20 December 2011, wherein I referred to the possible remodelling of the structure and content of national reports that are submitted by ERO Member Organizations before each Plenary Sessions, I would like to thank you for all the opinions and propositions regarding this issue.

On the basis of your remarks, which were very helpful, some changes have been made in order to make the template of the national report more clear, which will hopefully facilitate the preparation of national reports by ERO Member Organizations.

Please find attached the new version of the template. Please send your national reports for the upcoming Plenary Session in Prague by the end of March 2012 at the latest, so to allow us time for a proper analysis of the reports and elaboration of a comprehensive summary for the Plenary Session.

Best regards,

Anna Lella
