New Project approved in Madrid

**“An European perspective on
Interprofessional Education”**

Name of FDI document:

„Optimal Oral Health Through
Interprofessional Education and
Collaborative Practice“

Aim:

to determine how „Interprofessional Education“ is defined in Europe

Method: 4 Phases:

1st. phase: review and consult the document of FDI

2nd phase: write review article

3rd. phase: survey among ERO and ADEE members

4th. phase: joint statement between ERO and ADEE

Key messages from the FDI document

Definition of Interprofessional Education
Definition of Collaborative Practice
Barriers and benefits of IPE and CP
Role of Dentist as leader of Dental Team

Non applicable for Europe from the FDI document

Annex: The Dental Team definition (other categories)

Documents to be used instead:

Dental Team Resolution (CED, May 2015)
