# WG DENTAL TEAM

The Board according the decision taken by the ERO Plenary in Madrid asked WG Dental Team a more difficult and exciting challenge:

**How can change Dental Team in the future in medium / long term?**

# WG DENTAL TEAM

We met in Frankfurt on Feb,2 2018.

and.....after a brain storming  
debate.....

# WG DENTAL TEAM

- What new challenges will our profession face?
- What does the new generation of dentists expect?
- What is the future dental team?
- What new technologies will affect our practice?
- What about the risk assessment in our practice?

# WG DENTAL TEAM

Chronologically, work priorities will be proposed concerning:

- **Management in the practice - Change in curricula of DT**
- **Qualification in Using of new technologies/ digital medias**
- **Harmonization among European countries DT profiles**
- **Optimizing in recruiting members of DT**
- **Quality of procedures in the in Dental Team**
- **Changing model of profession(s) – new models of practicing Dentistry in DT.**
