Trends and developments:

in professional politics

Higher qualification of young colleagues. Competitive and rich system of educational events

in health and social politics

No changes

in educational politics

No changes

in the insurance system (incl. the public health insurance and private insurance schemes)

Payments from insurance companies (governmentally controlled) are very low (filling 11 euros) – so dentists are not accepting nearly 20% of population.

in dental care for persons applying for asylum or refugees
no new trends- increased costs (many uninsured)

Migration:

*of dentists: problems and possible solutions
of persons applying for asylum or refugees: problems and
solutions in dental care.*

- **1001 foreign dentists: 347 from the EU, 654 from non-EU countries**
- **Russian Federation, Ukraine, Slovak Republic**

Changes in fees:

— *Information regarding promotion of the World Oral Health Day:*

- **19. 3. 2018 The press conference**
- **20. 3. 2018 a lot of activities and programme realised in our cities with students of dentistry, dental hygienists; dental programs for primary school students, cooperation with dental companies, schools and dental associations in the Czech Republic.**

— *Further information (activities):*
