Israel Israel Dental Association SALZBURG - 2018

1. Changes in the Association and its organization:

No changes.

2. Trends & Developments:

The IDA continues to struggle against commercial organizations to open dental clinics and provide non ethical treatments in patients.

The Continuous Education Program to "Up to Date Dentist" is continuing to expand successfully. In 2017 a total of 1600 dentists accomplished the requirements set by the Scientific Council of the IDA.

There is no change in membership fee.

The Government of Israel enacted a Law that provides free dental treatments for children **under age 15 and partial treatments for adults from age 65.**

3. Migration:

None

4. Changes in fees:

There is no change in membership fee.

5. Information regarding promotion of World Oral Health Day:

The Oral Health Day will be promoted in all of the Israel Dental Association publications as well as in the FB. It will be emphasized during one of the **Dental Meeting held on March 2018.**

6. Further information:

The National Scientific Meeting of the Israel dental Association (Dec. 7-9-13 ,2016) was a great success with the participation of over 2500 dentists.
