

The ERO Board proposes the following changes

### **Spring plenary session**

- The national reports will be published as usual on the ERO website.
- The summary of the country reports together with the most important 3-4 topics selected by the ERO Board shall be sent to the delegates about 2 weeks prior to the plenary session = **more time for discussion and possibility for the delegates to prepare**
- Presentations of working group reports in the Spring plenary session, but not in the Autumn meeting.

The ERO Board proposes the following changes

### **Spring plenary session**

- Meeting ERO Board and working group chairs before the plenary session = Thursday afternoon
- Meeting of the working groups – Friday morning
- Plenary session – Friday afternoon/Saturday morning

The ERO Board proposes the following changes

### **Autumn plenary session**

- No presentations of the working groups, unless there is an urgent issue = gives time to discuss the topics of the FDI Assembly B

The ERO Board proposes the following changes

### **Working groups**

- Spring 2019 to Spring 2020 = year of transition
- All NDA will receive a letter and will have to confirm their nominees for the different WG
- New mandate starts after plenary session April 2020
- Stricter application of the rules of procedure
