National Report

Country: AZERBAIJAN

Association: AZERBAIJAN STOMATOLOGICAL ASSOCIATION

Year: 2014

Changes in the association and its organization: There are some changes in the structure of management of Azerbaijan Stomatological Association.

In professional politics: In professional politics thoughts didn't changed.

In health politics: Public dental clinics were privatized. However, emergency service and some free dental services at departments of general dentistry in multidiscipline clinics are provided.

In educational politics: Because of transition of the education system of Azerbaijan Republic into Bolony system, some changes were carried out on education policy completely, particularly at dentistry.

In the insurance system:

Depend of case and type of insurance, private insurance companies cover total or partly cost of dental service. Public health insurance covers only emergencies and spread only among public institutions.

Further information (activities, concerns): During this year Azerbaijan Stomatological Association carried out trainings among the dentists, symposiums and seminars in different departments of dentistry. Trainings were held both in capital city and regions of Azerbaijan Republic.

Authorities of Azerbaijan Stomatological Association took part at the 3rd and 4th Neighboring Countries Dental Associations Collaboration Platform in August 29th, 2013 (Yildiz, Turkey) and 29-31 August, 2014 (Kushadasi, Turkey).

ASA participated at international exhibition IDEX on April 3-6, 2014 (Istanbul, Turkey)

Azerbaijan Stomatological Association took part at 9th Azerbaijan International Stomatology Exhibition with own stand which was driven in Baku in September 25-27 2014.

Delegation of Azerbaijan Dental Association participated in meetings of General Assembly of FDI, which was held in August, 2014 in New Dehli, India.

Delegation of Azerbaijan Dental Association participated in the meetings of working groups of ERO at plenary session of ERO-FDI in April 2014 in Paris, France.

During this year Azerbaijan Stomatological Association continued the publication of the periodical journal «Caucasian Dental News».
