

**Regional European Organisation of the FDI
National Report**

Country: The Kyrgyz Republic

Association: Stomatological (Dental) Association of the Kyrgyz Republic (SAKR)

Venue: Bishkek

Year: 2015

Please classify your national report by following subjects:

- I. Changes in the association and its organisation.
Actually there is no changes and Association works as usual
- II. Trends and developments:
 - in professional politics;
 - in health politics;
 - in educational politics;
 - in the insurance system (incl. the public health insurance and private insurance schemes).

- in professional politics; - we become more active in international relations, e.g. our delegation visit FDI Annual Congress in New Delhi, couple of Lecturers come and present their lectures (from Russia, Byelarus, Israel, Kazakhstan...)

- in health politics; we still pass through changes flow, initiated by Health service Ministry –to turn state outpatient dental clinics to self-supporting manner

in educational politics; - there was an attempts of government to reduce number of High schools with Dental faculties (one high school with 50-per year dental students was closed), also government not agree with proposal of SAKR to reduce quantity of Dental Physicians (Zubnoy vrach) and increase Mid-level dental schools

in the insurance system (incl. the public health insurance and private insurance schemes). – there is very slight – increasing of State Obligatory insurance. Now it composes about \$ US 0.5 per citizen.

- III. Further information (activities, concerns).

Annual SAKR Congress is going to be held in Issyk-kul lake, Bishkek in June 6-7, 2015.
