No changes in association and its organisation. Personal changes are foreseen for October 2015 when new elections will take a place.

II. Trends and developments:

- in professional politics;
- in health politics;
- in educational politics;
- in the insurance system (incl. the public health insurance and private insurance schemes).

In professional politics and in the insurance system there is no changes.

In health politics

We are expecting a new law of health service. Yet we do not know what kind of impact a new law for the insurance system will have.

In educational politics

Continuing education is still important and mandatory. Slovenian Dental Association organize in June the 40th Meeting of Slovenian Dentists "From Practice to Practice".
