

**ERO NEWS 16.**

August 2018

Dear Colleagues,

As we are getting ready for the FDI WDC in Buenos Aires I am providing a short update on ERO.

Please note that one of the FDI draft policy statements that are going to be voted in Buenos Aires, namely on Continuing Medical Education in Dentistry (p. 370 of FDI binder) is the final version of the draft submitted in 2016 in Poznan by ERO Board.

It has a reference to ERO's Statement on the continuing medical education in dentistry. I am glad that this year we will have the opportunity to adopt this important FDI policy following our European initiative.
