W.G. DENTAL TEAM

**Pestana Bahia Hotel
Salvador de Bahia
Sept. 2nd, 2010**

BIG QUESTION

DENTAL NURSE
or
DENTAL CHAIR-SIDE ASSISTANT?

YES or NO?

IS IT A MATTER OF

- Vocational training?
- Basic education and training?
- Population and Society needs?
- Dental market of the Country?
- Needs of politics?
- Evaluation of risk management?
- Distribution and dilution of risks?
- Evaluation of responsibilities?

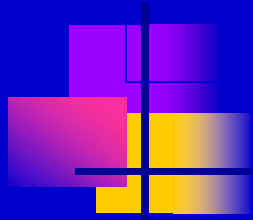

DENTAL TEAM

AUXILIARY STAFF SURVEY

- Governing Body
- Academic Requirements
- Training/Education
- Duties
- Diagnosis/Plan

DENTAL TEAM

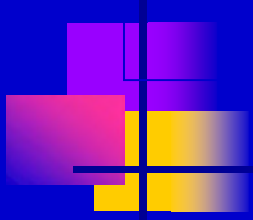

DENTAL NURSE-DENTAL CHAIRSIDE ASSISTANT

EUROPE

Their duties are restricted to assisting the dentist at the chair side, including (for example) sterilising instruments, mixing filling materials and undertaking administrative duties.

DENTAL TEAM

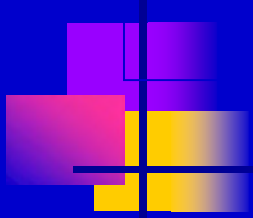

DENTAL CHAIRSIDE ASSISTANT

EUROPE

shall Dental Chairsides Assistants in Europe have a comparable training with automatic recognition and do we need a regulatory system?

DENTAL TEAM

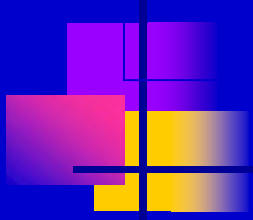

DENTAL CHAIRSIDE ASSISTANT

EUROPE

It was clear that a European Qualification Body for different qualification stages up to 2012 is absolutely needed to facilitate the mobility of dental care professionals. (European Qualification Framework)

DENTAL TEAM

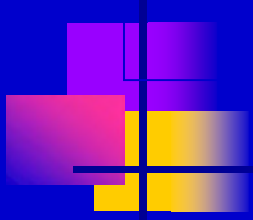

DENTAL CHAIRSIDE ASSISTANT

EUROPE

The differences from country to country are enormous !!

DENTAL TEAM

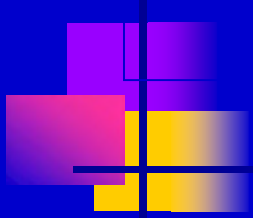

DENTAL CHAIRSIDE ASSISTANT

EUROPE

Despite these remarkable differences, these countries share mutual needs, interests, targets of the profession. To have a Dental Chairside Assistant (DCA) in the practice is something dentists hope for.

DENTAL TEAM

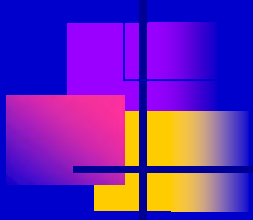

DENTAL CHAIRSIDE ASSISTANT

EUROPE

The WG agrees on the fact that DCA must have a basic common agreed level and therefore, it will work on a qualified training profile for DCA.

DENTAL TEAM

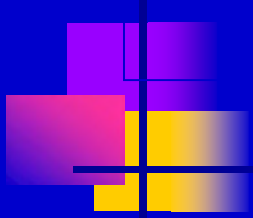

DENTAL CHAIRSIDE ASSISTANT

EUROPE

Each country has then to find out how to develop this concept.

DENTAL TEAM

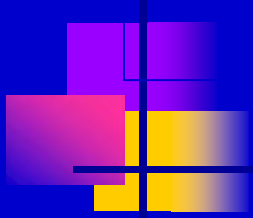

DENTAL CHAIRSIDE ASSISTANT

EUROPE

It was also very clear that WG is absolutely against any kind of compulsory standardisation. The concept is just an exhortation that has actually to be developed.

DENTAL TEAM

DENTAL CHAIRSIDE ASSISTANT

EUROPE

DCA is the trained Assistant working together with the dentist in his operative room and assists him in a 4-hands-work, no relationship with Nurse's profile according former EU Directives.

Open questions

- **Language testing (Art. 53)**
 - **Necessary for practice, not for registration**
 - **I.e. Knowledge of languages is not a prerequisite for the recognition of professional qualifications**

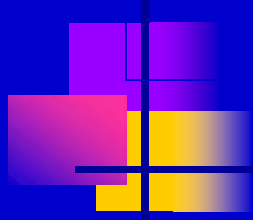

DENTAL TEAM

DENTAL CHAIRSIDE ASSISTANT

EUROPE

Target of this WG-meeting was to clearly define the position of Dental Chairside Assistants in Europe in relation to the subjects and duration of their training (School and Practise), responsibilities, continuing education courses and employment/assignment in a Dental Practise.

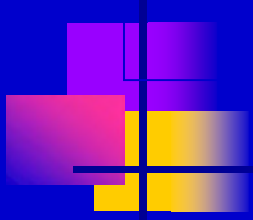

DENTAL TEAM

AUXILIARY STAFF DENTAL CHAIRSIDE ASSISTANT

A basic level which is sufficient and also attainable
for all EU / ERO Countries .

DENTAL TEAM
