SINGAPORE 2009

Women in dentistry

ERO

Singapore 2009

New strategies

- To help and support women in postgraduate education
- To coach women dealing with the staff
- To coach women in the leadership
- To teach women in practice management

Leadership

(dealing with the staff, leadership)

- To organize the education
- WDW Forum 2009 - lecture
- Second Leadership Conference Salvador de Bahia 2010
- Articles in the dental press
- Recommende to NA the education about leadership and practice management

To help and support women in postgraduate education

- To accept in all european countries the long distance learning as a part of the postgraduate education
